MR. PATRICK FARACE

## DEDICATION

Mr. Patrick Farace resides at 69 East Main Street with his wife Anne and their four boys. In 1956 Mr. Farace came to Port Jervis and began teaching at Port Jervis High School. He enjoys sports, swimming, camping, and especially coaching our basketball team.

Mr. Farace teaches World Geography and American History. Upon graduation from Saint Francis College in Pennsylvania, he received his Bachelor of Arts Degree and received his Masters Degree from the University of Scranton.

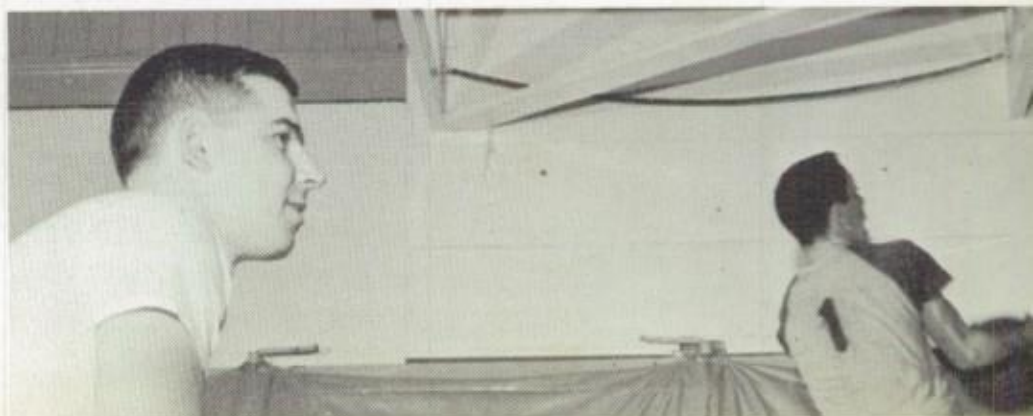

As a teacher Mr. Farace creates a feeling in the classroom which seldom exists in others. His forceful voice echoes facts about countries which forces us to listen and remember. We complained about his long assignments and term reports, but his constant demands made it worthwhile in the end.

As basketball coach he was aware of the player's existence, his problems and his good points. He knew

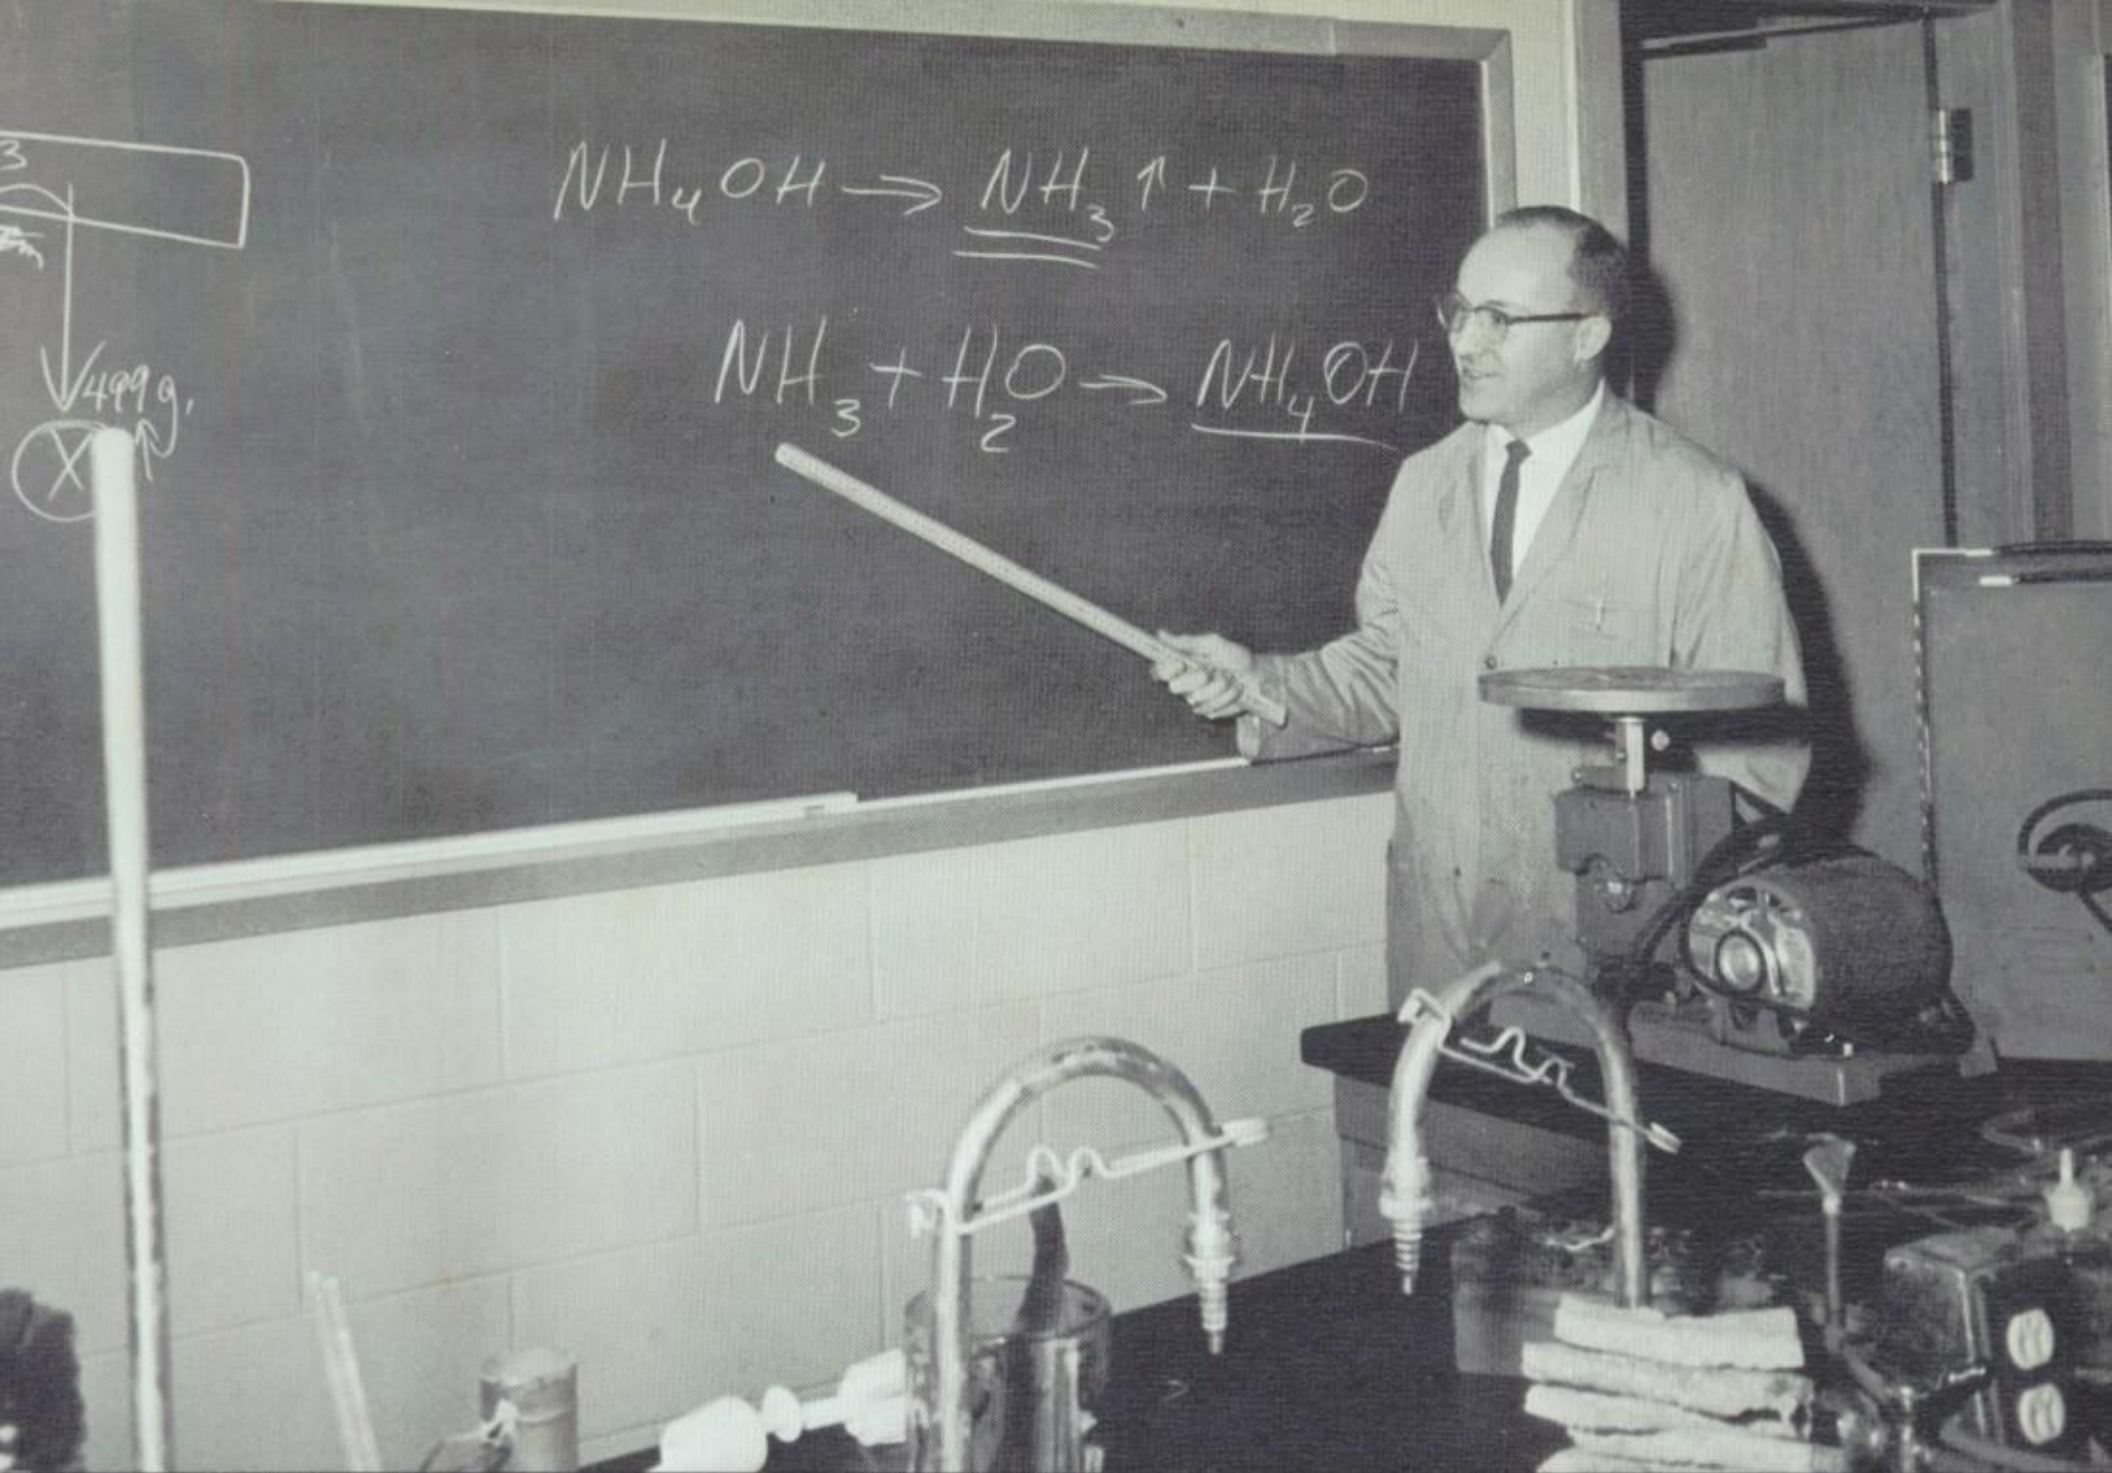

that individuals must be molded to form a team. In his seven years of coaching the Raiders, his team had many victories and some defeats. But those victories were made with triumphant vigor and skill of the players and their coach, and the defeats were never due to the lack of effort or spirit.

A little summary of the records of past years may show you the pride and accomplishment one has for a team. In 1956-57 season he brought the Raiders to a 16-6 record and the Section Nine Championship. Again in the 1959 season, with a record of 15-7, the Raiders won the Village D.U.S.O. and the Sectionals. During the following years Coach Farace faced several defeats but his coaching guided the Raiders to 61 victories and 54 defeats.

As we know Mr. Farace has suffered long and hard since last August, and to you Mr. Patrick Farace, as an educator, a coach, and a friend, we dedicate this book.

## STUDENT GOVERNMENT

The Student Council is the organization in the high school which acts as an intermediary between the administration and the student body. Through the efforts of homeroom representatives and alternates, the council tries to forge a better relationship between the student body and faculty in order to make the school run more smoothly and efficiently.

This year the Student Council has sponsored the homeroom decorating contest before Thanksgiving, a canned food drive, dance, fashion show, theater party, and bake sale. It formulated plans for a foreign exchange student program to be instituted within the next year or two and an inter-city exchange program initiated this year. Through these activities the council has brought enjoyment to many members of the community and has offered an opportunity for students to demonstrate their abilities while working on problems for the organization.

Coming through the doors are the first students to arrive for the RUSO Conference.

Mr. Horsman is seen greeting students and advisors as they arrive for the RUSO Conference.

## NATIONAL HONOR SOCIETY

This year the National Honor Society has sponsored several projects in and around the school. It has provided numerous trips to Middletown for interested students to attend operas, plays, and other performances; purchased a series of four science films for the school; and organized a bookstore from which students may purchase books not available in local stores.

In the spring the Honor Society plans to sponsor several trips for Honor Roll students.

## SCIENCE CLUB

Through the aid of lectures, trips and demonstrations, members of the science club become better acquainted with the scientific world about them. This year selected members prepared and presented lectures dealing with physics, chemistry, biology, and physiology.

Every year for the past few, interested and dilligent inventors display their creations at the Annual science fair held in the school gymnasium. Each student or group of students prepares a project, having a good knowledge about the project to be able to explain its function to judges. Winners of this fair are given the opportunity to compete in the regional competition at Middletown.

Stuart Peck, president of the club calls for a meeting every other Monday to be held in the Chemistry laboratory.

# SIGMA MU SIGMA

The Math Club helps promote interest in mathematics by sponsoring the Actuary Exams held on March 8th and taken by fifteen chosen math students. Scholarships are presented to those students who do exceptionally well on this exam.

In March, those students of the Junior and Sophomore classes who were eligible were initiated into the math club. A large number of math students became members.

Also during the spring the math club took a field trip to familiarize the students with the possible careers dealing with mathematics.

## VARSITY CLUB

The Varsity Club consists of athletes who have earned their varsity letter in any sport. The letter is won by achieving a prescribed amount of participation in any sport. The club meets about twice a month. Each year they strive toward promoting good sportsmanship. Their fund raising activities include the sale of refreshments and programs at home games.

The money obtained through these concessions is used for a two hundred dollar scholarship awarded to a senior athlete. A trophy is also annually awarded to the best all around senior athlete.

G.A.A. is an organization for girls who wish to add more athletic activity. In G.A.A. there are such activities as volleyball, basketball, and the use of the trampoline. This organization meets twice a week and is supervised by the girls' gym instructor, Miss Sells.

## VOCAL GROUPS

Our vocal groups, under the direction of Mr. Carl Lester, presented both advanced classical type music, along with lighter tunes. They put on a fine Christmas concert, as well as assemblies for both the elementary and high schools.

A number of members from these groups participated in the All-County Spring Festival.

Here we see Mr. Lester, our musical director, at the piano.

## MAJORETTES

Each year the majorettes perform during the half time at football games and lead the band in numerous parades. These girls spend much of their time and energy in continuous practices beginning in August, ending in late November, and then resuming again in the spring.

This year, for the first time, audiences were entertained by the entire squad. They saw the squad twirl fire and lighted batons in addition to their regular batons.

Under the leadership of Karen Kalin, captain and Diane Keizer, co-captain, who, with the aid of their advisor, Mr. Neubert, planned half time shows and trained these girls, the squad did a fine job.

This year, as in the past, the cheerleaders have done their best to promote spirit and enthusiasm within the student body. Although our teams had an unsuccessful season, the girls did an excellent job in upholding their school's spirit.

For the first time in many years, the cheerleading squad had an advisor. Miss Pomella travels to all away games with the girls and advises them in many of their problems.

June Garcia, captain, and Mickey Jenkins, co-captain, of the Varsity should be commended on their fine job.

Congratulations should also go to Dottie Cox and Linda Neenan, captain and co-captain of the Junior Varsity Cheerleaders.

## DEBATING CLUB

Not a new organization in our school, but a reorganized one is the debating club. Mr. Ramalho, its advisor, organized a group of students who were interested in oral discussion.

The main purpose for the debating club is to learn and practice the correct form of debating. Also, the members are aiming towards making the club the basis for a Port Jervis Debating Team which will participate in a D.U.S.O. Debating League. We wish that the club succeeds with great enthusiasm.

Here is seen a few of the fifty members of the college club. On Wednesday nights, with the aid of Mr. Shaw, the members are acquainted with a few colleges and are introduced to the many problems faced in choosing the right college.

# PHOTOGRAPHY CLUB

The purpose of the Photography Club is to stimulate the students' interests in photography and help them to improve and learn new photographic techniques. This year the club has been very active and has held weekly meetings and lab sessions. A very successful Bake Sale has been held, and many more student activities are planned, such as an assembly and a photographic contest.

At the following monthly meetings the members enjoyed interested programs concerning Roman people and their times. Members also spent much time preparing for competition in the annual Nationwide Latin exams in hopes of securing another trophy to add to the two P.J.H.S. already holds from the Auxilium Latinum Society.

## FLIGHT MAGAZINE

A new magazine appeared upon the scene in our school this year. Flight features literature, art, science, and music. In the first issue only a handful of interested writers appeared; but the enthusiasm to write and create increased the number of participants.

Literature seems to dominate this magazine. Short stories of personal reference, poetry about nature, human emotions, and poems which play with words, essays on religion, and art create an interesting magazine. Only a few issues appeared but were enjoyed thoroughly by the majority of the student body.

### The Tree

There is a lonely tree out of the window forth  
It stands as sentinel over the hill  
It is barren, almost dead, but upright aloft  
And I with it stand alone.

Bo other trees about to exchange sighs of bough  
Do grass under it to shade and to cool  
Four scrubby bushes cling close to the side  
And I with it stand alone.

The blue sky above it, the dark earth below  
Yet none of these things it knows of feels  
The sun beats down, its warmth never caught  
And I with it stand alone.

There is a lonely tree out of the window forth  
From it gone all mirth and joy  
It is there with its last shread of life  
And I with it stand alone.

## VARSITY FOOTBALL

This year's youthful Red Raider compiled an uninspiring overall 2 wins- 5 losses- 1 tied record. Their main trouble can be traced to non-league games, for in D. U. S. O. competition they attained a passable 1 win- 2 losses- 1 tied record. In cases such as this year, the tale is not to be told by the scores alone. The Raiders played many fine ball games and provided Port fans with many exciting moments. This was a year which will be remembered as a year for rebuilding. Having only five seniors, Larry Latini, Bill McCooey, Mike Connelly, Les Friedman, and Pat Corrado on the team, the bulk of the load was carried by Juniors and Sophomores, who improved as the year progressed. After losing the initial three games, Nyack 20-0, Goshen 26-20, and Newburgh 26-7, Port began to click. In the game against favored Kingston, the Raiders garnered a tie 13-13 due to all-around fine playing by the team and the passing of Ricky Spears to his favorite target Bill McCooey.

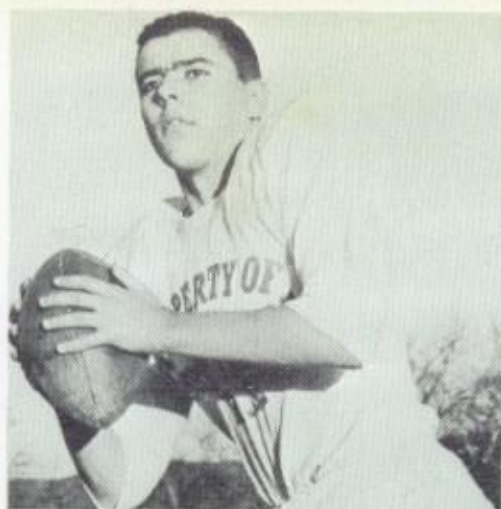

In the next game against Poughkeepsie, Port put together a fine second half to pull the game out of the fire and win it 14-13. The game was highlighted by the fine running of newcomer Ray Shulz, and the whole backfield. In its next contest against East Stroudsburg, Coach Viglione's chargers played poorly and were beaten easily by the Pennsylvania Club 13-0. In the annual Turkey Day game after playing a bad first half, the Raiders rebounded back and held the DUSO champs scoreless for the second half and at the end of the game were driving themselves for a touchdown. The final score was 27-0 with the Middies on top.

From the squad Brian Seeber and Larry Latini were honored by their election to the All D. U. S. O. first team. Halfback Joe Nolan and Center Paul Hogencamp were named to the second team, while Bill Oliver, Ray Schulz, Paul Costic, and Jack McAndrew were given honorable mention.

Halfback Charles Bayer is off on a long gallop during a practice session.

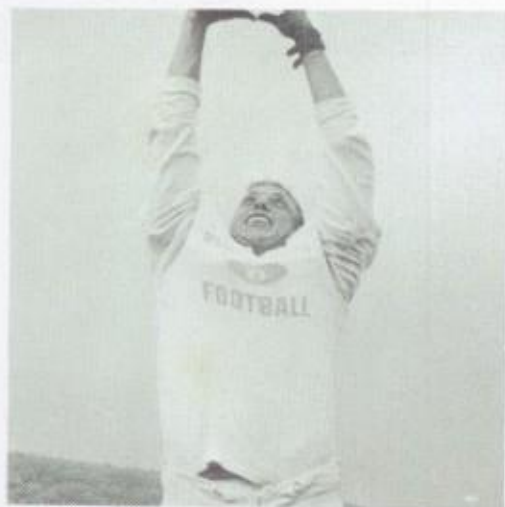

Senior quarterback Mike Connelly fades back to throw a long one.

Halfback Jim Quick shows the form used for busting through a hole in the line.

## JUNIOR VARSITY

This year Coach Smart's junior varsity squad posted an overall two win five lost record. In his sophomore year of coaching, Coach Smart did a fine job of molding an inexperienced team into a threat to every team they played. Though losing the majority of their games, the J.V.'s provided their many fans with exciting moments of fine football. Due to fine team efforts Port was beaten bad only once, and that was by a team they had previously beaten.

Several exciting moments this year were provided by the brutal driving power of fullback George Gardner, the excellent breakaway power of halfbacks Dick Thompson and Lester Buchanan, the fine hiking of small center Jim Mac Alla, and the pass catching of Bob Spada.

This year Port Jervis football instituted a new system enabling the varsity and junior varsity to be independent of each

other. Except for the moving a few boys up or down, the system worked as planned. This plan has the long range hope of letting boys who would not play varsity, gain valuable experience in J.V. play. We feel this experiment will succeed, and we hope it will provide Port Jervis football with a much needed lift.

## CROSS COUNTRY

This year Port Jervis's much improved Cross Country Team posed a one win three lost record. They lost close contests to Middletown (22-38), Kingston (18-37), and Monticello (17-42), and beat Newburgh (25-30).

The Harriers did even better, however, in the large competitive meets. In the D. U. S. O. meet Port placed fifth as a team and sophomore John Kinney scored a tenth place. In the larger section 9 meet Port placed second in its division, while Joe McAndrew and John Kean finished fifth and sixth respectively.

In the annual and ever important state meet Port sent four representatives and of these four, John Kinney placed sixth out of the one hundred and fifty participants.

## JUNIOR VARSITY BASKETBALL

This year the Junior Varsity Basketball team posted an identical record with the Varsity Squad. Their record consisted of 1 win- 17 loss record. Coached by Tom Hoppey,

the boys played well, despite their poor record. Next year with experienced freshman returning, we are sure that the record will improve.

# WRESTLING

This year a new sport made its presence felt in Port Jervis High School. After serving a year of apprenticeship as an intramural sport, wrestling became a full-fledged varsity sport. Coached by Mr. Al Wilgard, the Porters put on an impressive display of wrestling ability. Having only 18 boys out for the sport, Coach Wilgard did an excellent job, and the grapplers beat schools which had double and triple our number of boys out for wrestling.

After losing its first three matches to Newburgh, Middletown, and Liberty, the Raiders beat Otisville Training School. This victory provided the boys with the confidence they needed, and they went on to beat Kingston twice, Newburgh in the return match, and threw a big scare into an unbeaten Middletown squad.

The Raiders received many top-notch performances from standout wrestlers this year. Among the most notable were Steve Georgi's victories over previously unbeaten Bruce Rich of Middletown; Bob "Cassius" Keyes great

wrestling and his revenge victory over Tom LaBoda; the many victories of the Bayer brothers—Charlie and Tom; and the fine all around wrestling of Ed Haycook, Tom Nolan, Mike Drapala, Bill Blasberg, Junior Santiago, Lou Sarno, Tom Jones, and John Piccolo.

Five of the above boys who won or placed in the D.U.S.O. meet this year were awarded the honor of competing in the sectionals at Middletown. They were Bob Keyes, Tom Bayer, Charlie Bayer, Ed Haycook, and Steve Georgi. In the meet Steve Georgi placed third and Haycook and both Bayers fourth to cap a fine season.

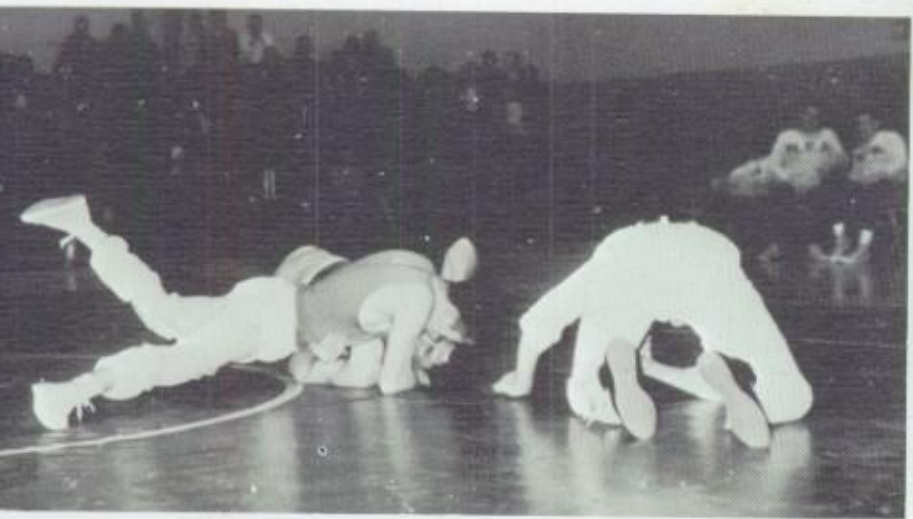

The boys who composed our varsity squad deserve a great deal of credit for a fine season. Coach Wilgard is also worthy of praise for his competent and impressive coaching. We are confident that next year, with the return of many experienced wrestlers and the addition of some fresh talent, the Raiders will have an even better season.

Last year, 1962, the track team recorded a fine season under the capable coaching of Mr. Short with the results as follows:

Port Jervis .....	77½	East Stroudsburg	17½
Port Jervis .....	85½	Monticello .....	37½
		Delaware Valley ....	17
Port Jervis .....	41½	Middletown .....	71½
Port Jervis .....	70	Goshien .....	43
Port Jervis .....	81	Liberty .....	32
Port Jervis .....	75	Poughkeepsie .....	38

Along with winning all but one of the dual and tri-meets listed above, the team took fourth place in the City DUSO meet. The following members of the squad established new Village DUSO records:

Joe McAndrew	880	2:07.3
Fred Pavllch	Mile	4:49.4
Glenn Aumick	High Jump	5' 10"
Dan Butler	Pole Vault	10' 6"
Dick Bachelder	Discus	135' 3"

John Zachary established a new school record for the hop-step-jump during the season with a 38' 31½" jump.

Perhaps the two most outstanding members of the squad were Dick Bachelder and Glenn Aumick. Aumick's performance in the high jump and Bachelder's in shot and discus earned them trophies and medals in the Hudson Valley Relays, Section 8 meet, and the opportunity to participate in the State meet in Schenectady. Because of an injury, another outstanding performer, T. A. Mackey, was unable to take part during most of the season.

With the advent of this year's track season, Coach Short expects a fine performance from his squad. Monroe-Woodbury and Suffern have been added to this year's schedule in place of East Stroudsburg and Poughkeepsie. Many men are returning from last year including polevaulter Dan Butler, hurlers Charlie Bayer and Jack Reilly, distance runners Joe McAndrew and John Kinney, short distance runners Les Friedman, Ray Schulz, Les Buchanan, and Bill Oliver, high jumpers Jim Wilkerson and Ed Haycook, broad jumpers John Santiago and Jim Swingle, hop-step-jumper John Zachary, shot-puter George Gardner and many others. With increasingly better performance of these men and the new-comers, Coach Short hopes to offset the loss of last year's Seniors and to make the 1963 track season a memorable one.

## BASEBALL

Last year our baseball team achieved a 9 win 7 loss overall record. Contained in that score was 4 wins and 4 losses in the DUSO record.

This year with the return of such regulars as: Mike Connelly, Bill McCooey, Harry Storms, Brian Seeber, and Joe Nolan, Coach Zelno has high hopes for an even finer season. We are sure that this year our Raiders will have a very successful season and be a definite contender for the DUSO Championship.

Showing his pitching ability, Bill McCooey fires a baseball toward the batter.

Harry Storms, catcher, waits for the speeding pitch to strike his mitt.

Michael Connelly strikes at a fast ball letting it pass through.

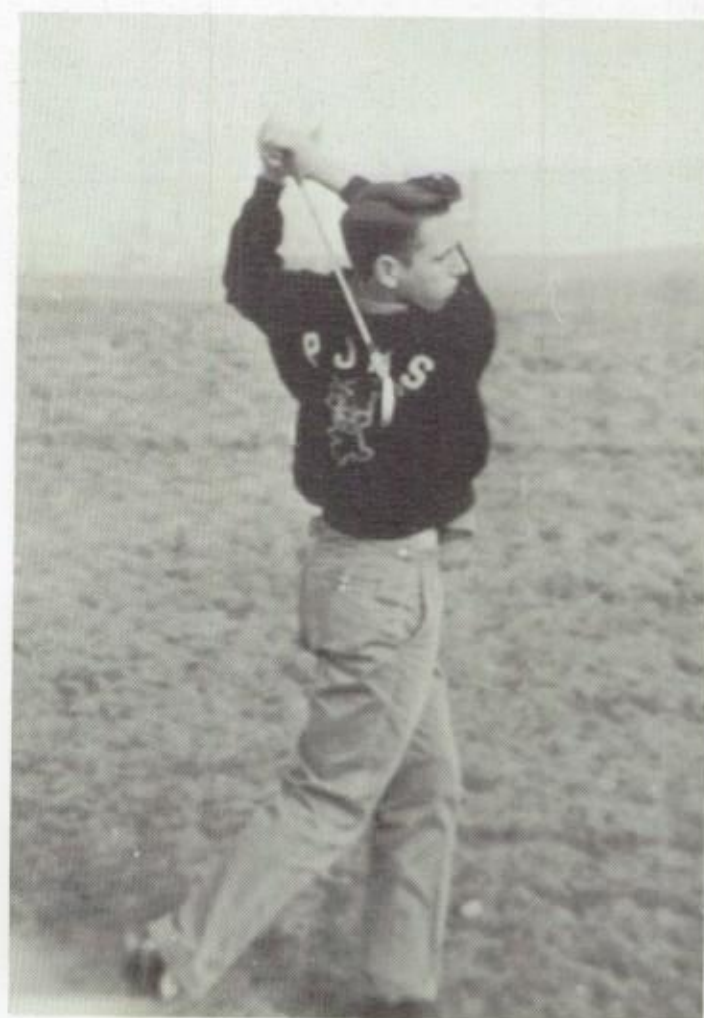

L-R: G. Roderman, D. Hiller, T. Nolan, R. Spears, R. Lefferts, captain; R. Smith, R. Sandy, Coach Mr. R. Dickenson.

## GOLF

Expectations are high for the golf team this year. Three members from last year's team, which was DUSO champion, Section 9 Champion, and number two team in the state, return with their skills and experiences; these are Glenn Roderman, Richard Spears, and Richard Lefferts. With these three boys and the contingent of young prospects who have come out for the team, we can expect only excellent results in this year's competition.

With the goal of state champion within reach, we know that the golf team, under the astute coaching of Mr. Robert Dickenson will be fierce competition for any team in the state.

Captain Richard Lefferts shows the power and drive which helped put the team in high standing.

## UNDERCLASSMEN

This year, as in past years, the sophomore class sponsored a dance to increase their treasury. Hard work and careful planning resulted in a successful dance. Because this class began the school year in the Senior High School, it was necessary for them to become familiar with the new surroundings.

The wishing well symbolizes the theme of the sophomore dance, "Pennies From Heaven."

# JUNIOR CLASS

This year the Junior Class has been very effective in carrying out its activities in and around the school. During the football season, Juniors sold shakers at the home games to arouse school spirit. They have been very successful with their newspaper, "The Raider." In January the Juniors sponsored the annual Junior-Senior Prom, with the theme "Winter Wonderland."

SENIORS

#### SENIOR CLASS OFFICERS

A great deal of money is needed to provide a yearbook, prom, and other senior social functions. Each year, the senior class is faced with the responsibility of raising the needed funds.

This year, as in the past, the seniors were responsible for the operation of the football concession stands. Through the hard work of many of our seniors, this project alone managed to boost our treasury five hundred dollars. In addition, bookcovers were sold in both junior

and senior high schools and the *Record* was sold weekly. Our advertising staff of the yearbook did an excellent job in collecting approximately fifteen hundred dollars through boosters and advertisements. The senior play, *320 College Avenue*, offered parts to twenty-five seniors who, along with the production staff and ticketselling seniors, contributed much time and effort to make the play a financial as well as artistic success.

## WINTER WONDERLAND

The theme of this year's Junior Senior Prom. Juniors work diligently to prepare the array of stars that hung from the artificial ceiling, to collect live fir trees, paint beautiful scenery for the walls, and create a remarkable and adequate bandstand, this should be a night of unforgettable dreams.

Miss Ashworth spreads one of the many tablecloths upon one of the tables situated at various locations in the gymnasium.

Silouetted in the background is the Trovei Band.

Glittering and sparkling stars suspended from meshed netting created a cosmic atmosphere.

Effective decorating adds to the spirit of joyous "Winter Wonderland." Candy Crine decorates each table with a picturesque display of skaters.

As the night progresses, unforgettable moments collect in each girls memory.

Judy Brady places marshmellowed snowmen on each table while the decorative bandstand appears in the background.

# 320 COLLEGE AVENUE

A three act comedy with mystery and murder blended in with it: presented by the class of 1963.

Joe Beirne and Guy Kellam rehearse their lines during a late rehearsal.

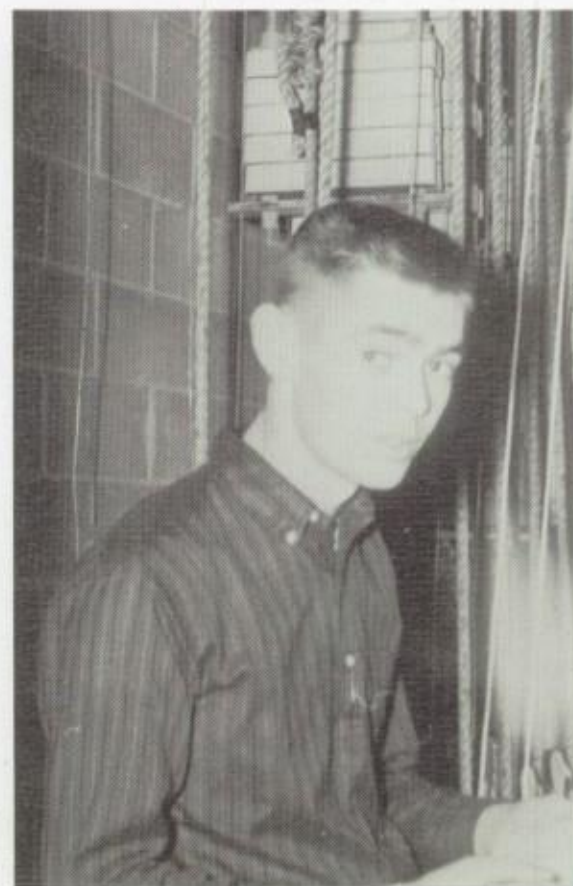

The chief, played by Thomas Hazelton, uses Joe, played by Lester Freidman, to experiment on the theory that Judy might have murdered Lee while dancing.

Waiting for rehearsal to start, Russ played by Joe Beirne, goes over his lines by himself.

During an early rehearsal Mr. Rifkin, director, follows the procedure while the players block out their movements.

Occasional study of the lines helps improve your production, demonstrated by Billy, played by Pat Corrado.

Ronnie Simon prepares the border lights to give the correct lighting effect.

In the second act, Rita, played by Eileen Beirne is seen slapping Russ, played by Joe Beirne.

Beryle Herman and Guy Kellam are seen memorizing their lines before rehearsal.

Joann Reiss, Michele Jenkins, and Judy Thomas wait for their cue before going on the stage.

Judy, played by Carolyn Coss, expresses a frightened glance seen many times in *320 College Avenue*.

The end? This is the end of a school year for Juniors and Sophomores but more important the final year of high school for the Seniors. As you read through this book, you noticed the fine and rewarding accomplishments made by many students. No person with the experience and knowledge which he has obtained should ever discontinue the process of learning but search for the ever ending truth.
